DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

1. Claims 1, 2, 5, 8, 9, 11, 14, 16, 17 20, 22, 23, 26, 28 and 31 are rejected under 35 U.S.C. 102(b) as being anticipated by Gabbert, U. S. Patent 6,073,378.

2. Regarding claims 1, 4, Gabbert teaches a sign cover adapted to attached to a cage comprising a transparent card holder 16, a retention member 19 adapted to retain the card holder 16 to the cage and a adapter member 19 designed and dimension to be coupled with the card holder such that the holder may be selective positioned in a first or second orientation.

The left tie (adapter) corresponds to the adapter member and the right tie corresponds to the retention member. The cardholder 16 can be mounted either vertical or horizontal (see figures 9 and 13).

The examiner contends the card holder can be pivoted about the adapted.

2. With respect to claims 2 and 5, the retention member 19 can be attached to a cage.
3. With respect to claims 8, 9, 22, and 23, the cardholder taught by Gabbert is made of clear (transparent) or colored transparent (translucent) plastic.
4. With respect to claims 11, 14, 26, the retention member (tie 19) is integrally connected to the sidewall of the support when attached.

5. With respect to claims 16 and 28, since the cage is not positively claimed in combination with the holder, the holder taught by Hudson anticipates the claim.

Allowable Subject Matter

6. Claims 3, 4, 6, 7, 10, 13, 15, 18, 19, 21, 25 and 27 objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory

period for reply expire later than SIX MONTHS from the mailing date of this final action.
